

So according to God's word, Mystery Babylon is:

- 1) a woman** (Rev.17: 1,3,4,6,7,9,18), **a whore** (Rev. 17:1,15,16) - **God's people (His Church)** are always described as a woman, **a her**, because we are His Bride, His Wife. We are described as either a Virgin: Pure and Faithfully following Him or a Whore and a Harlot: Unfaithful, committing *Spiritual Adultery, Idolatry*. God describes this woman, this Church as a whore, one who is committing spiritual adultery.
- 2) The woman, (the Church) sitteth on (rules from) seven Hills** (Rev 17:3,9). The woman is also **a great city which reigneth over the kings of the earth** (Rev. 17:18) – Rome is the great city of seven hills and the seat of authority for the Roman Catholic Head Quarters where she has reigned over kings.
- 3) The woman (the Church) sits on waters, - peoples, and multitudes, and nations, and tongues** (Rev 17:1,15). **This woman (this Church) has influence over the World** – The Roman Catholic Church has influence over the world through her Head Quarters in Rome, the Vatican.
- 4) Mystery Babylon, Babylon the GREAT** (Rev. 17:5). You will see in this chapter how this woman (this Church), the Roman Catholic Church, adopted over 35 Babylonian sun worship doctrines, so that God calls her Babylon the Great. She spread the Babylonian doctrines over the earth fulfilling Rev 19:2 **the great whore (Church), which did corrupt the earth with her fornication** (*spiritual fornication-idolatry*).
- 5) According to the word of God, this woman (this Church) is The Mother of harlots** (Rev.17:5) – The Roman Catholic Church is the only Mother Church. God calls Mystery Babylon the great whore in Rev. 17:1 and calls her daughters harlots because they have the mother's Babylonian's doctrines, that they took with them at the reformation.
- 6) The woman (the Church) is arrayed in Purple and Scarlet** (Rev 17:4) – The Roman Catholic Cardinals wear scarlet (red) and the Bishops wear purple.
- 7) The woman (the Church) is drunken with the blood of the saints**, and with the blood of the martyrs of Jesus (Rev 17:6) – The Roman Catholic Church has killed over 60 Million Christians (saints- those cleansed by the blood of the Lamb) *those who refused her doctrines*.

Mystery Babylon is a Church. According to God's word she is a Mother Church, that sits on (rules from) seven Hills (*the great city of Rome*), is influential over the world from the Vatican in Rome, arrayed in Purple and Scarlet, drunk with the blood of the saints, is called Babylon the Great (because she adopted the Babylon's doctrines of worship), and corrupted the earth with the fornication of these doctrines. But you say, the Roman Catholic Church did not adopt the doctrines of Babylonian worship. And I respond, I will show you 33 of them in the next section called **Quick Overview**.

The Secret of Mystery Babylon

My grandma was a devoted Catholic and others in my family too. I remembered enjoying going to Church with my grandma, eating fish on Fridays, and learning the Apostle's Creed. I had a lot of good memories with my grandma. I love the people in the Catholic Church that's why I have to share the secret of Mystery Babylon now, before the plagues come, before God judges Mystery Babylon. The plagues in Rev. 18:4 are God's judgments. Time is very short. God is calling His people out that they receive not her plagues.

- "... **Come out of her, my people**, *that ye be not partakers of her sins*, and **that ye receive not of her plagues**." (Rev 18:4)

There were many more examples of secrets of Mystery Babylon but I will only list five here.

- Cardinal Newman lists many examples of things of "pagan origin" which ***the papacy brought into the church "in order to recommend the new religion to the heathen:"***... "The use of temples, and these dedicated to particular saints, and ornamented on occasions with branches of trees; incense, lamps, and candles; holy water; asylums [hermitages, monasteries and convents]; **[pagan] holy-days**

..."--Cardinal J. H. Newman, An Essay on the Development of Christian Doctrine, 1920 edition, p.373 [Roman Catholic].²⁵

- "Confiding then in the power of Christianity to resist the infection of evil, and to transmute the instruments and appendages of ***demon worship to an evangelical use... the rulers of the church*** from early times were prepared should occasion arise, ***to adopt, or imitate, or sanction the existing rites and customs of the populace.***" - Development of Christian Doctrine, Cardinal Newman. p. 372²⁵
- "... ***Pagan festivals dear to the people, reappeared as Christian feasts, and pagan rites were transformed into Christian liturgy*** . . . The Christian calendar of saints replaced the Roman 'fasti' [gods]; ancient divinities dear to the people were allowed to revive under the names of 'Christian saints' . . . Gradually the tenderest features of Astarte, Cybele, Artemis, Diana, and Isis were gathered together in the worship of Mary"--Wil Durant, The Age of Faith, 1950, pp. 745-746.²⁵
- Two dominant elements brought into Christianity from paganism by Rome were ***Sun worship symbols*** and the religious ***practices of ancient Babylon*** "The solar theology of the Chaldaeans [***Babylonians***], had decisive effect . . . [upon the] final form reached by the religion of the pagan Semites, and following them, by that of ***the Romans*** when [the Roman emperor] Aurelian, the conqueror of Palmyra, had ***raised 'Sol Invictus' [the invincible sun-god] to the rank of supreme divinity*** in the Empire"--The Cambridge Ancient History, vol. 11, pp. 643, 646-647.²⁵
- The penetration of the religion of Babylon became so general and well known that Rome was called the "New Babylon." - Faith of our fathers 1917 ed. Cardinal Gibbons, p. 106²⁵

I was astonished. The traditions of the Roman Catholic Church came from Babylon! We just saw God's description of Mystery Babylon fits the Vatican perfectly and the traditions the Roman Catholic Church teaches that are equal to the word of God or higher than the word of God, were actually of pagan origin and are rituals worshiping the Babylonian pagan sun god, the pagan rites were transformed into Christian liturgy. I know it is very hard to believe but continue with me and you will see that it is true and this is still the tip of the ice burg.

This is the secret of Mystery Babylon, that the doctrines of Babylon were adopted into the Church and given Christian names but there is more, much more.

Nimrod built the kingdom of Babylon, a kingdom of false worship, worshiping the sun, the root was actually worshipping Satan. That is why it is so serious and God is warning His people to come out of Mystery Babylon before He judges her. God's word tells us that Satan will deceive the whole world and you will see he truly has.

In Genesis 11:9 the worship of the sun was spread everywhere and in many languages. This is one reason the sun god had many names.

- "Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth." (Gen 11:9)
